

# Emirates is running the largest sustainable blanket programme inflight

Each blanket is made from

# 28

recycled plastic  
**bottles**  
transformed into a  
fine thread woven into  
a soft blanket

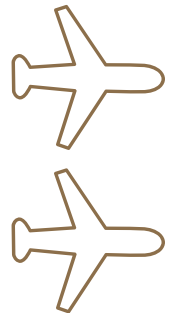

By 2019,  
Emirates  
will rescue  
**12,316 tonnes**  
of bottles from landfills

This is equal to the weight of

# 44

A380 PLANES

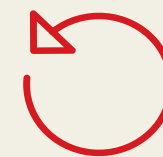

Emirates will save

# 3,348

bottles per  
**hour**

The blankets are made of  
**ecoTHREAD™**  
**material**  
certified by

Using recycled PET  
in manufacturing reduces  
energy emissions by

# 70%
